Internship Completion Letter

29th March, 2023

Dear Sreekanth Doragolla,

This is to certify that you have successfully completed your 4 months internship as a "Machine Learning" programmer at Startup Shravanne from 29th September, 2022 to 28th January, 2023.

You have been assigned various machine learning tasks dealing with audio and image signals. You have submitted all the assigned tasks and have developed skill sets to perform ML programming using image and audio datasets. Apart from that you are also now fluent in making speech to text (vice versa) conversion algorithms and pattern recognition using python programming language.

Your performance was best contributed towards the audio and image classification tasks assigned to you by the company. You continuously demonstrated a friendly and dedicated approach to work. We found you sincere and committed and wish you all the best for future academic and professional success.

Sincerely,

Dhwani Desai
