

## Awareness Program on digitalization, women empowerment, watering of plants

On the last day of the special camp, we conducted a rally on Digitalization and women empowerment. We explained that making Digital India is one of the objectives of the Government. The student volunteers explained that most of the corruption can be reduced if online transactions are preferred. Also we conducted rally on Women Empowerment and the importance of development of women to the development of the family. The student volunteers explained the ways in which a family can be developed if woman in the family is educated. The student volunteers also explained various Government schemes that are beneficial to the women like DWACRA, Self Help Groups etc. The village women are very enthusiastic in knowing the Government schemes that are beneficial to them. Sarpanch and School Teachers appreciated the volunteers of IIIT NSS Unit-VII for the efforts contributed for the development of village during the one week NSS Special Camp Programme. After valedictory function, volunteers performed singing, dancing activities and shared their experiences on 1 week NSS special camp.
