Hello, Chandrika.

I am willing to supervise you and your classmate Vasuki, both for your final year project (1 year duration) - this is confirmed. However, if I have to provide you stipend, it will take some time to complete the formalities in our institute. Also, please note that for this, I still need from your side a letter saying the duration of your project is for 1 year (or ...months, as the case may be). I also need a letter that you are not getting any stipend.
