Subject: Offering one-year internship for Mr. Pavan Kumar Perugu of the Department of Mechanical Engineering under my supervision - Reg.

Dear Sir,

Mr. Pavan Kumar Perugu joined under my supervision for summer internship starting from May 2018. He is working on the Truck / Bus steering system in Vehicle dynamics focusing on analyzing steering torques, analysis of force system, CAD model designing and developing new mechanisms. He has made initial progress and the project work will come to a good form if Mr. Pavan Perugu stays here for one year. I also got to know about the provision of one-year internship placement officer of your Institute. Therefore, I am extending his internship for one year from the month of May 2019. I hope Mr. Pavan Kumar Perugu will put in sincere effort and work dedicatedly to bring this work to success.

Thanking you,

Yours sincerely,

C. Sujatha
