Dear MrN SATISH KUMAR REDDY ,

This has reference to your application for Long-term Internship in 2018. We are happy to offer you Internship to work for six months during this winter subject to verification of your marks as stated in the application. You will be working with Mr.M.Yacob (Senior Design Engineer), NIM Hyderabad .

This Fellowship is subject to the following norms:

1. The duration of the Internship is six months, and is not to be reduced.
2. The Internship is based on CAD , STAAD PRO.
3. First two months of the internship will be training. Remaining period you will be working on live project.
4. Stipend provided to you will be Rs.8000 and will be increased later based on your performance.
5. No accommodation will be provided by the company.

With Best wishes,

Yours Sincerely,

HR Manager
M. Yacob
NIM SME
Hyderabad, T.S.
