Dear Rafi,

I would like to take four of them - Mr. Naveen, Mr. Sreekanth, Mr. Ramesh, and Mr. Manikanta. I can pay them around 8-10 thousand for the next 18 months. In the meantime, if I get new projects, I can pay for the remaining 6 months as well.

Mr. Ibrahim's CGPA seems to be very low. If you strongly recommend, I can take him also.

As you are aware, we may move out of ODF completely. So IITH may not be able to provide the accommodation for next two years. Please suggest alternatives.

Best Regards
Murty
