**Subject:** Offer letter for Software Developer Internship Program.

Congratulations!

We are pleased to offer you the Software Developer Intern starting from 25<sup>th</sup> May 2019 to 30<sup>th</sup> April 2020.

**Position:** Software Developer Intern

**Location:** Hyderabad

**Stipend:** Rs. 8000/- Per month

**Terms and Conditions:** You will be required to submit a postdated security cheque i.e. INR 1,00,000 (Rupees One Lakh Only). If you leave your internship before completion, the cheque will be encashed against training expenses. You will be eligible for an experience certificate only if you complete the entire period of internship. If security cheque is not acceptable, you can opt for receiving your stipend at the end of the internship period, will be payable on completion.

The internship program is very intensive and runs from 25<sup>th</sup> May 2019 to 30<sup>th</sup> April 2020, Monday to Saturday. You will eligible to go back to your campus for your academic tests/exams as per your institute schedule. This period of absence will be added to the internship.

Please be informed that this internship is purely for those who are committed to a rigorous training program for learning and working on live projects. Join only if you have passion in coding and designing.

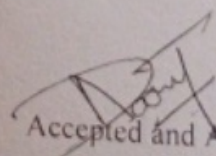

You will be considered for a Pre Placement Offer on the basis of your performance during the internship with us.

Please do sign this offer letter, if the above terms are acceptable.

Looking forward to have you on board.

Thanking you,
