Dear Navya Sree,

SKUOPS is pleased to offer you an academic internship opportunity as Associate Research Intern – Internet Of Things. You will report directly to Amrutha P – Manager Research & Development IOT. This position is located based out of Bangalore/Karnataka.

During your employment, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this offer of employment, you acknowledge that you must keep all this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of your employment, you will immediately return to the Company all its property, equipment, and documents, including electronically stored information.

As a Research Intern, you will not receive any of the employee benefits that regular Company employees receive, including, but not limited to, health insurance, vacation or sick pay, paid holidays but you can avail the benefits of Travel, Food & Accommodation facilitated by SKUOPS Pvt Ltd.

For this position, your major duties will include in assisting core Research & Development which includes

- Research
- Data Analysis
- Algorithm scripting
- Proof of concepts
- Market Viable Prototype proposals
- Acceptance Testing

Your schedule will be approximately 130 – 160 Hours / Week beginning 29/8/2019 and your assignment will conclude by 3rd Week of July 2020 and it is subjected to extend by 2 to 4 weeks based on project completion.

Note: Please do report at SKUOPS Pvt LTD office by 10:00AM 29/8/2019 and do accomplish the joining formalities followed by Induction sessions.

Congratulations and Welcome to the team!!

Regards,

Shanmugaraj M

Director of R&D - IOT
