Dear Anitha Bavirisetti,

Congratulations! We are very excited to extend an internship opportunity to join the young and energetic **Orotron Technology Team** as “**Software Developer**”. I am sure your passion to excel will be of great value to Orotron and will help the company to propel towards its Global vision.

Let's try and understand what this opportunity has in store for you. Orotron has grown from the outset to a business that provides top class applications, anticipating its biggest strides in the next few days with the passionate work of the team and important input from customers culminating in the services we deliver.

As a team, we take as high a degree of pride in our work culture as we do in our offerings. We are a group of highly passionate and talented people who are dedicated to the company's vision and are committed to that vision. The only rule in Orotron is to take part in work and be responsible for it which binds all of us.

Coming to the professional part of the offer, you will need to report to Orotron at Hyderabad **for an Internship period for 1 year**. Your Gross stipend would be INR **10000** per month (Rupees Ten Thousand only).

We are looking forward to your date of joining on **01 July 2021**. A wonderful experience awaits you here, that's a promise!

Cheers!
