Hi Vishnuvardhan,

Heartiest Congratulations !!!

We are pleased to inform you that you have been shortlisted for the Internship Program at West Agile Labs for the position of Trainee Software Engineer.

We are growing fast and would love to have people like you with passion join us in our journey ahead.

Please be informed that the internship programme will be starting from **February 2023**. We will communicate the actual date of the programme shortly .

The Letter of Intent (LOI) will be shared 15 days prior to the start of the internship programme.

Any changes in the start of the programme will be formally communicated to you.

Looking forward to welcoming you into the WAL Family as a valued WALiant.

Best Regards,

Raja Sekhar Reddy Aduri
