**Hyderabad – 500 032**

---

#### **PRESS RELEASE**

**Hyderabad: Rajiv Gandhi University of Knowledge Technologies (RGUKT) model is going to be replicated in Punjab.**

Rajiv Gandhi University of Knowledge Technologies (RGUKT) is emerging as a model institution and worthy of emulation after just six years of existence as Punjab government is keen to replicate the model in their state. RGUKT started with an aim to meet the educational needs of the meritorious rural youth of Andhra Pradesh has been receiving accolades both from academia and industry for imparting quality engineering education.

Roshan Sunkaria, Principal Secretary of Higher Education of Punjab arrived in Hyderabad today and will be travelling to the Nuzvid campus of the University to get to know the functioning of the campus. While explaining the need for such model institutions he said, “The state should take care of the intelligent poor student by providing them with all round educational needs. We are very excited to know such model exist where you have residential programme and provide every facility for free to the intelligent rural students and our CM is very keen to replicate such model in Punjab.” He had meeting with the Vice Chancellor of RGUKT, Prof. R.V. Raja Kumar as well as Principal Secretary of Higher Education Deptment of Andhra Pradesh, Ajay Mishra here. Prof. R. V. Raja Kumar will be joining him at Nuzvid tomorrow.

Prof. R. V. Raja Kumar said that Prof. A.K. Grover, Vice Chancellor, Punjab University, who visited the RGUKT recently as UGC Expert Committee Chairman was so appreciative of educational objectives of RGUKT and mentioned of how Chief Minister of Punjab, Prakash Singh Badal showed a lot of interest to set up such an institution in Punjab.

RGUKT is state government funded university whose aim is to cater to the educational needs of the highly meritorious rural youth of Andhra Pradesh.
