

Rajiv Gandhi University of Knowledge Technologies (RGUKT)

www.rgukt.in

Details of the campuses, location, courses offered and no. of students:

Name & location of the campus	Nearest airport and distance from campus	Branch & No. of B.Tech final students in each campus
RGUKT Basar Basar, Adilabad district, A.P	Hyderabad airport- 240 km	(i) Computer science & Engg : 400 (ii) Chemical Engg : 150
RGUKT Nuzvid Nuzvid, Krishna district, A.P	Gannavaram (Vijayawada Airport) - 50 km	(iii) Civil Engg : 400 (iv) Electronics & Communication Engg : 400
RGUKT RK valley, Idupulapaya Kadapa district, A.P	Bengaluru Airport- 220 km ; Chennai airport:340 km	(v) Materials& Metallurgical Engg :250 (vi) Mechanical Engg : 400
Total no. of final year student in each campus		: 2000

- Number of final year students (B.Tech) per campus available for recruitment : 2000
- **Total number of final year students (B.Tech) available in RGUKT for campus recruitment : 6000**
- Two year postgraduate programme **(M.Tech) in Computation Engineering**, an interdisciplinary course, structured to meet the computational challenges of the industry started in the year 2011 and **18 students** will complete the course in May 2014.

SOME FEATURES OF RGUKT & ACHIEVEMENT OF STUDENTS

RGUKT has several unique features in imparting quality technical education similar that at the IITs to the rural students and students are excelling in many fields.

- All B.Tech students (6 branches) have been exposed to 04 computer science & information technology courses
- All the course materials have been prepared by eminent faculty members from IIT's & NIT's
- Excellent e-classrooms and laboratory facilities
- Some of the students have bagged prestigious awards and winners of the worldwide events like NASA.
- All 6000 have successfully completed quality oriented summer internship for 08 weeks which is a part of course curriculum of RGUKT.
- Fully residential campuses like IIT's

FACILITIES TO RECRUITERS FOR BOTH PRE-PLACEMENT AND RECRUITMENT

- Good guesthouse and food facilities inside campus
- Local transport facility inside campus
- Excellent conference rooms for both personal interviews and group discussions
